SAAC outreach to 67 self-advocates

Electronic Information Distribution:

236 articles to 185,712 people

Technical Assistance:

128 occasions impacting 212 people

GOAL 1 SELF- ADVOCACY

Californians with I/DD and their families reflecting the diversity of the state will have increased information and supports to advocate for civil and service rights to achieve self-determination, integration and inclusion in all areas of community life.

Goal 1: Self-Advocacy

Objective 1.1

The Council will increase knowledge about self-determination and person-centered planning by monitoring, supporting and actively engaging in the implementation of the Self-Determination Program.

Goal 1: Self-Advocacy

People Reached

Objective 1.2:

The Council will promote self-advocates in leadership roles in statewide networks a) through the strengthening of a statewide self-advocacy organization and by supporting self-advocates; b) within cross-disability leadership coalitions; and c) in training other self-advocates to become leaders.

GOAL 2

EMPLOYMENT

Californians with I/DD and their families reflecting the diversity of the state will have increased information to obtain competitive, integrated employment.

Goal 2: Employment

People Reached

Objective 2.1:

The Council will increase and promote culturally competent strategies and resources that facilitate competitive, integrated employment (CIE) of people with I/DD.

GOAL 3 HOUSING

Californians with I/DD and their families reflecting the diversity of the state will have increased access to affordable, accessible, safe, and fully integrated housing that provides choice and flexibility regarding where and with whom they live.

Strategic Housing Framework

■ Taskforces

■ Hard Copy Distribution

■ TA's

■ Testimony/Outreach

Goal 3: Housing

Objective 3.1:

The Council will work with housing entities to increase the development and/or provision of community housing for people with I/DD.

Goal 3: Housing

People Reached

Objective 3.2:

The Council will identify and decrease barriers to housing for people with I/DD.

The background of the slide features several thin, curved lines in light gray and blue, creating a sense of motion and depth. These lines are more prominent on the left side and fade towards the right.

GOAL 4 HEALTH & SAFETY

Californians w/ I/DD and their families reflecting the diversity of the state will have increased information to access health, public safety, and related services that meet their needs and health care choices.

Goal 4: Health & Safety

People Reached

Objective 4.1:

The Council and its federal partners will increase knowledge and awareness for people with I/DD and their families about the availability of and access to health and public safety-related services and supports.

Goal 4: Health & Safety

People Reached

Objective 4.2:

The Council, its federal partners, and self-advocates will increase information and training to law enforcement, court personnel, health care providers, and/or other care professionals about disability-related health and safety issues.

GOAL 5 EDUCATION

Californians with I/DD and their families reflecting the diversity of the state will have increased information, in order to obtain inclusive education services throughout the lifespan.

Goal 5: Early Intervention, Education, Transition & Post-Secondary Education

People Reached

- Trainings - Professionals (43)
- Trainings - Parents (16)
- TA's (112)

Objective 5.1:

The Council and its federal partners will increase knowledge and awareness of developmental milestones and intervention services for families of young children and professionals.

Goal 5: Early Intervention, Education, Transition & Post-Secondary Education

People Trained

Objective 5.2:

The Council, in consultation with its federal partners and other stakeholders, will increase awareness and knowledge for families and self-advocates about the availability of and access to services which support inclusive education.

Goal 5: Early Intervention, Education, Transition & Post-Secondary Education

People Trained

Objective 5.3:

The Council, in consultation with its federal partners and in collaboration with educators and stakeholders, will increase information and technical assistance to prepare and empower students, families and professionals in developing individualized transition plans that lead to employment, post-secondary education &/or independent living options & opportunities.

GOAL 6

FORMAL & INFORMAL COMMUNITY SUPPORTS

Californians with I/DD and their families reflecting the diversity of the state will have increased information and supports to access community-based services available to the general population

Goal 6: Formal & Informal Community Supports

People Reached

Objective 6.1:

The Council, in collaboration with our federal DD partners, will reduce service access barriers and decrease the disparity in available information, which describes services and supports that may be purchased throughout California's Regional Center system, by translating and providing that information in Spanish and tracking statewide POS disparity data for Spanish-speaking self-advocates and families.

Goal 6: Formal & Informal Community Supports

People Reached

Objective 6.2:

The Council will increase the knowledge and skills of people with I/DD to move from institutional to community settings and to increase their ability to self-advocate.

■ Meetings ■ Trainings ■ TA's

Goal 6: Formal & Informal Community Supports

People Reached

Objective 6.3:

The Council will increase outreach, training, and technical assistance to improve the quality of and access to services, including (but not limited to) Regional Centers, education, transportation, public benefits, child care, and recreation for people with I/DD and their families.

Goal 6: Formal & Informal Community Supports

Objective 6.4:

Californians with I/DD and their families reflecting the diversity of the state will have increased information and supports to access community-based services available to the general population. The Council, in consultation with its federal partners, will increase identification, advocacy and/or sponsorship of legislative, regulatory, policy, procedure and/or practice changes to increase access to quality community-based services for people with I/DD and their families.
